

**SPRINGVALE TOWNSHIP
2017 FALL ROAD INSPECTION
OCTOBER 18, 2017**

Board members present: Steve Lindgren, Bill Friedland, Tony Brown, and Michelle Kleven. Lindgren called the fall road inspection to order at 8:40 a.m. No town residents attended. The town board reviewed the 2017 fall road inspection minutes, 911 address sign road check, Snow Plow Policy, driveway permit list.

The town board inspected all town roads and rights-of-ways. There was some discussion about graveling roads and clearing rights-of-ways of brush.

The town board discussed a few mailbox posts in need of repair.

The town board discussed getting chip sealing quotes for a few blacktop roads in 2018 (West Briar, 331st LN, Holly St Park Stub). Kleven will contact Bradford Township about chip sealing the West Briar Development for the cost sharing approval and Isanti County Parks about Building permit funds to help with the cost of the chip sealing the entrance portion of Holly Street into Becklin County Park.

The town board installed and repaired some 911 signs and posts. Lindgren made a motion to have Kleven prepare and order new street name signs to replace the old, faded ones; seconded by Brown. Motion carried unanimously.

The town board reviewed the snow plow policy #103-02. Friedland made a motion to approve the snow plow policy #103-02 with no changes; seconded by Lindgren. Motion carried unanimously.

Friedland will continue working on updating road counts this fall.

The town board discussed driveway permits. Lindgren made a motion for Kurt Koester to notify applicant of expired driveway permits #62 & #63 with no refund because there has been no work done in over a year; seconded by Friedland. Motion carried unanimously. The town board inspected driveway permits #65, #66, #67, & #68 from Northern Natural Gas and are restored and can be refunded. Koester to get address numbers for permits #73, #74, & #76. The town board will work on final permit approvals, mailbox swing arm, and 911 address sign installation of the remaining permits next week.

The attached map and notes shows where the recommended road repairs, brushing and tree removal, sign installation, and other work to be done.

Lindgren adjourned the spring road inspection at 2:05 p.m.

Respectfully submitted,

Michelle Kleven
