

**SPRINGVALE TOWNSHIP
SPRING ROAD INSPECTION
MAY 8, 2019**

Board members present: Steve Lindgren, Bill Friedland, and Michelle Kleven. Also present was Steve Hass from Keith Hass Construction. Friedland called the spring road inspection to order at 8:39 a.m. No town residents attended. The town board reviewed the 2018 road inspection minutes.

The town board discussed crack filling and seal coating blacktop roads and the town hall parking lot.

The town board discussed dust control. The town board and Steve Hass approved areas requested by residents this year (Pearson-Quapaw and Findell-349th). Kleven will contact residents with information and pricing for scheduling dust control. The township will not be paying for the cost of dust control this year or scheduling, it will be the resident's responsibility.

There were no signs to be ordered. Supervisors will be installing and repairing signs in the next few weeks.

Lindgren will be doing the 2019 noxious weed report.

Friedland will work on updating road counts this summer.

The town board discussed driveway and utility permits.

All township roads were inspected.

The attached map shows where the recommended gravel, culverts, and road construction will be for 2019.

Friedland adjourned the spring road inspection at 2:00 p.m.

Respectfully submitted,

Michelle Kleven
Clerk

William Friedland
Vice-Chairman
