

Meeting called to order at 8:56 am. Steve, Jake and Bill attended. Jake's treats were appreciated and very tasty.

New Town Hall security system was checked. System works OK for now but still needs some future adjustments.

#2151 – 351st Ave (dead-end road) – Five foot pile of wood chips may be in right-of-way.

Tree down on Flamingo St near new the culvert.

Four cars were parked in right-of-way on 371st Ave.

Tree on 353rd Ave will be taken down by Jake.

#04116 – 357th Ave- Rocks on side of driveway need to be removed. Four tires on 357th Ave have been removed already.

The tops of all four delineator signs on the 349th Ave culvert were scratched off. Culvert is nearest to highway # 47.

Tire by the crossroad of 349th Ave and Blackfoot St has been removed.

Wrong mailbox post at 35087 Blackfoot St (north of 349th) was identified.

Sink hole on 329th Ave will need more fill in the future.

331st Lane wasn't mowed.

Three chevron signs need to be moved on the corner of Jivaro St and 329th Ave. Gravel has been removed from Jivaro St and applied to 361st Ave – a minimum maintenance road.

Checked wood fences at driveways on Jivaro St. Both fences are 100% in the right-of-way.

East Central Electric repaired blacktop edge on Kerry St in Maywood Estates. All projects in Maywood estates appear to be completed.

361st Ave has been widened and gravel applied. The new turn-around will work for now.

All township gravel roads appear to have adequate gravel and maintenance. All tar roads are in good shape.

Meeting adjourned at 4:04 pm
